Beautiful restored 300 year old country villa with large lands for total privacy and multiple terraces. Location The villa is situated on the north part of Ibiza, close to the village of San Carlos. In the peaceful countryside, here are plenty of nature walks, fruit trees and vegetable gardens with sheep and horses as your neighbours. Here you live in harmony with nature with all the modern commodities. The many beaches on the north east are close by, a short 10 minutesâ drive. You are also close to the famous hippy market ÂLas Dalias Â in San Carlos. Built 300 years ago its owner has completely renovated this jewel. Remaining is its wooden beams and charming structure and decorated in to the smallest details with furnitureâ s carefully selected on the different markets in Ibiza, all. As you enter to the villa from the main road you access direct to its private land with stables, huge lands with fruit tree plantations. Living room and kitchen Step into the villa and you come into the lounge / living room with high ceilings, where you have 2 sofas, TV and chimney. On the same floor you have a separate dining room with large dining table and direct access to the outside dining area and pool. The kitchen is large with all modern appliances, fully equipped for cooking and serving 14 guests. Bedrooms and bathroom The property has 5 bedrooms and 4 bathrooms located into three parts. All bedrooms are double rooms, have air con, wardrobe and windows. Bedroom 1 is located on the ground floor next to the living room and bedroom 2 on top of it, both have their own bathroom with toilet and shower. Bedroom 3,4 and 5 are located on the first floor. Here you also have a second living room with 2 large sofas, TV and terraces with access to the pool area. Bedroom 3 has its own bathrooms where as room 4 and 5 shares a bathroom, located just in between the rooms. There are 2 terraces here and a garden perfect for children to play in or to practice yoga. Outdoor The villa has an outdoor kitchen with large BBQ space, kitchen and water supply overlooking the pool area. A wooden dining table for 14 guests. There is a private pool with sunbeds and a 4 poster Bali bed and a garden. Around the villa are several lounge areas and terraces.
